

Planning Hot Jobs

Job Title: **Senior/Associate Planner**
Location: **Bedfordshire**
Reference Number: **RH/885519**

A rare and exciting opportunity has arisen for a chartered town planner to join an expanding consultancy in Bedfordshire. We are ideally looking for an Associate but could also consider a strong Senior Planner looking for a progressive opportunity. This position will ideally be based in Bedford but we do have the flexibility for it to be based in or between the firm's office in Oxfordshire.

You will be joining a friendly and supportive multi-disciplinary office with an established client base. Planning is one of this organisation's key services and they have 3 other offices with busy planning teams in each who can provide additional support. We are looking for a key individual to assist in growing the planning division within the company and specifically be the key contact in the Bedfordshire office for town planning. The firm's client list offers a good variety to your project workload including residential, commercial, mixed-use, infrastructure as well as some rural, utilities and energy work.

Job Title: **Head of Planning**
Location: **Cambridgeshire**
Reference Number: **RH/884883**

A fantastic opportunity has arisen for a Director/Partner level chartered planner or a strong Associate to join a multi-disciplinary consultancy in Cambridgeshire. You will be joining a large, open plan office with a friendly and supportive working environment.

This firm have an excellent reputation across the country and have a strong, established client base across the public and private sectors. There is a healthy supply of on-going work to be getting on with from day one and a supportive team who are good cross-sellers. At this level, you should also have some clients of your own that you can develop alongside this firm's existing work but the initial priority is to service the existing client base and grow from there. We are looking for candidates who are able to manage a small team and who have the ambition to grow a larger team around them. The planning service within this organisation offers a full range of services including planning reviews, masterplanning, development plan work, development management and broad planning advice both internally and externally.
