Facilities Management

Beach Baker's experienced Facilities Management team have specialist understanding across all levels within the Facilities industry, from Facilities Co-ordinator to Facilities Director. The team deliver both permanent and temporary solutions and operate across the UK and internationally. Our dedicated and passionate consultants focus on attracting only the best candidates from both the passive and active markets.

Beach Baker's Facilities team provide recruitment solutions for a range of clients including facilities service providers, managing agents, facilities management consultancies and client side opportunities within corporate organisations. We are also proud members of the BIFM resulting in strong industry networks and up to date sector information

Our Facilities team covers the following disciplines throughout the UK for both Temporary and Permanent roles:

- Building/Property management
- Hard services management
- Total facilities management
- Mechanical & Electrical
- Health & Safety & Environmental
- Procurement
- Soft services management
- Project management
- Business development
- Bid management

The Beach Baker Facilities Management team pride themselves on providing our clients with an honest and professional service. With this in mind you can rest assure all candidates will be fully vetted, briefed and prepared for any active assignments.

We offer salary benchmarking, provide clients with up to date market knowledge, both host and attend facilities events to keep up to date with market trends and are regular attendees to Facilities Management Panel meetings.

Belinda Miller - Managing Consultant

Belinda Miller is a specialist Facilities Management recruiter with over 10 years' experience in the field. She joined Beach Baker 3 years ago to establish the Facilities Management team. Belinda brings technical understanding of the industry alongside a strong UK reputation and an open, honest approach, which enables her clients to make the right decision for their business.

She has experience in recruitment at all levels and with a variety of industries including: service providers, managing agents, consultancies, retailers, government and client side organisations.

Belinda prides herself on delivering a quality, customer focused and professional service. Belinda also sits on the Rising FM's BIFM committee and plays a major part in promoting FM as a career of choice.

Jordan Gladstone - Senior Consultant

As a Senior Consultant at Beach Baker, Jordan excels at searching throughout the entire Facilities Management network, specialising in Facilities Management, Property Management, Executive Search and Senior Appointments. Jordan has developed a unique and unobtrusive methodology ensuring confidences are never questioned. Jordan prides himself on his consultative approach to recruiting and understanding the individuals need is a big part of who he is, whether this is the Client or the Candidate.

Jordan specialises in working with and recruiting property professionals and experienced management staff for global and UK managing agents, consultancies, services providers, and client-side opportunities within the Facilities Management industry.

Jordan covers the entire UK on a wide variety of positions and tailored recruitment process.

Client Testimonials...

"I have dealt with Belinda Miller and Beach Baker on a personal and professional basis and was very pleased in both circumstances. I have appreciated the time taken to listen and get to know our needs to avoid sending mediocre candidates. The quality of services and the quality of candidates has led me to return to them for further recruitment requirements in my FM team."

Director of UK Property Management, Cording Real Estate Group

"Through Beach Baker I have secured three excellent team members, each of whom is still with me and progressing quickly along his/her career path. The quality of candidates provided is always first class but probably the main reason for me returning to Beach Baker whenever I have a recruitment need is because they ensure the candidate fully understands what the job specification is and they vet accordingly."

Director, Corporate Real Estate Management, Cushman & Wakefield

"I have worked with Belinda for over 10 years ON various Facilities Management requirements. Belinda has been successful in sourcing many FM candidates for me and I have always found her to be proactive and efficient. She has a sound knowledge and is extremely well connected with strong relationships across the FM industry. Belinda's honest and professional approach really does make her a pleasure to work with. I would have absolutely no reservations in recommending her."
