Technical

Beach Baker's Technical team are widely recognised as the market leaders within the sector. With our in-depth understanding of the Building Surveying, Quantity Surveying and Project Management industry sectors.

Our specialist consultants have established relationships with a wide range of candidates who are MRICS, MAPM and CIOB or working toward their professional membership. Our comprehensive understanding and expert knowledge enables Beach Baker to continually deliver the best candidates for our clients.

Beach Baker's mandates range from graduate and newly qualified positions to board level appointments across a number of sectors. Acting for a number of international leading organisations including global property consultancies, property companies, developers, corporates, financial institutions, charities and public sector organisations.

Our Technical team covers the following disciplines:

- Building Surveying
- Cost Management
- Employers Agent
- Project Surveying
- Quantity Surveying
- Project Management

Client Testimonials

"RLB have engaged Beach Baker to identify Project Managers to join our successful Bristol team. Beach Baker has taken our brief and successfully delivered a number of candidates for our review. This has led to the placement of a Senior Project Manager. Throughout the process the team have been courteous and prompt in replying to requests for information and correspondence. They are a pleasure to work with."

Associate, Rider Levett Bucknall

"I have known Beach Baker for a number of years, as both a candidate and now as a client. The team have provided a number of candidates of a high calibre and I can always rely on these to be properly vetted prior to me taking the time to review the CV's. They also have a good understanding of the market place together with an extensive range of contacts. I would have no hesitation in recommending Beach Baker and in particular the Technical team, who provide a very high quality service."

Director, AECOM

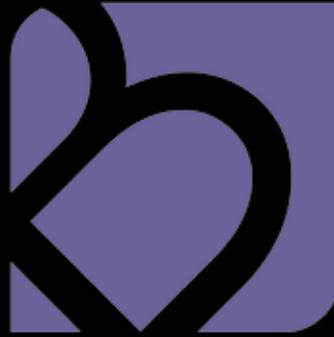

"I met with Beach Baker in late August to discuss how they might be able to help me fill a vacancy for a Senior Cost Consultant (qualified RICS) that I had failed to recruit after two attempts. The team promised an active approach in sending CV's from suitably qualified candidates. All the CV's they put forward were of suitably qualified people with varying experience. Beach Baker helped to secure the preferred candidate to accept our offer and they started in November. I found the team to be helpful and responsive at all times through the recruitment process and am satisfied with the service they provided."

Head of Business Support, Estates Department, English Heritage

"I would like to take the opportunity to thank you for your tireless efforts in sourcing a Building surveyor for our department. The level of service that you provided was excellent and I am extremely happy with our chosen candidate. I would not hesitate to use your services in the future."

Head of Property Services, Avon Fire & Rescue
