

HOT JOB!

Title: *Clientside Planner/Senior Planner*

Location: *Surrey*

Salary: *£30,000 – £45,000*

Ref number: *RA/885317*

Description

A fantastic clientside opportunity has arisen for a planner or senior planner to join an expanding housebuilder in Surrey. This organisation has an excellent reputation in the housebuilding world. You will be joining an established team within a busy, multi-disciplinary office.

Working alongside the in-house Planning Manager, you will be preparing, submitting and managing some residential application work as well as managing external consultancies assisting you with the application work. Alongside this, you will be providing in-house planning advice to the rest of the team, monitoring and discharging conditions, making amendments to existing applications and dealing with schemes ranging in size from single dwellings to large scale housing developments.

Candidates will ideally be MRTPI qualified and have some private sector experience, either from another clientside environment or from a consultancy role. Residential project experience is advantageous but not essential. We are looking for candidates who work well to deadlines, are able to manage a busy and varied workload, present themselves well and have excellent communication skills.

There are good rewards on offer including a very competitive basic salary and benefits package including a car allowance, private health care and pension scheme as well as discretionary bonus.

For a confidential discussion about this role please do not hesitate to contact Ruth Hoggett. By clicking apply, please be assured that your CV will not be sent to the client until you have been fully briefed on the role and given permission for us to do so. We aim to get back to all applications; however, due to the volume of applications we receive, we are not always able to do so. If you have not received a response within 4 - 5 working days, please assume your application has not been successful this time round. We will confidentially retain your details and inform you of any other suitable opportunities arising should you not be successful in this role.
