Recruitment

Technical Hot Jobs

Job Title: **Project & Cost Manager - Client Side**
Location: **Somerset**
Reference Number: **885894**

Our client's estates department runs a large operational portfolio and is responsible for strategic planning, development and management of multiple building types and land, ultimately providing a high quality and safe environment for service users and visitors.

We have been appointed to recruit for an exciting role for a Project / Cost Manager to oversee alterations, refurbishments and extensions, taking overall responsibility for managing construction/project costs across residential accommodation and catering facilities. We are therefore inviting applications from RICS QS or PM disciplined candidates experienced in overseeing multiple projects.
