Rupert is a Director and Co-Founder of Beach Baker with a UK wide remit covering London, Bristol and Leeds offices. With extensive experience of General Practice recruitment at a senior level, he originally setup the firm in 2008 and is responsible for the growth of Beach Baker, which is considered a market leader within the Property sector.

Having developed an excellent knowledge of the UK Real Estate market, Rupert jointly oversees the firms six specialist divisions and is responsible for leading activities and providing strategic direction for the firm.

He has recruited at board level for global property consultancies, property companies, developers, investors and institutions as well as initiating team and company acquisitions.

Previous experience includes three years working for an international property recruitment firm and a year working for a construction recruiter. He obtained a 2:1 BA (Hons) degree in History and Politics before beginning his career in recruitment.

Rupert list his interests as eating out, trips away, spending time with his family and friends, keeping fit and is a beginner triathlete, having completed two sprint triathlons already.
